

A catch up with 91 Ways

This week Ashley community Housing staff members and a few of our tenants met up with our friends over at 91 Ways in Bristol for some delicious food and a chat! 91 Ways is a new initiative supported by a diverse group of individuals and organisations including the Bristol Initiative Charitable Trust. Whilst language can sometimes act as a barrier between communication, food is a universal language that can bring people together.

Throughout our catch-up we were able to taste a variety of delicious foods from many different cultures, sharing our very own passion for food, as well as learning new tips and recipes! It was a great opportunity for our tenants and ourselves to meet new people and learn about what events are happening around Bristol.

An event which will be taking place in Bristol soon is 91 Ways Peace Café, this event will be held at The Station on the 21st November between 12:30-2:30. Many Ashley Community tenants will be attending and anyone is welcome to be a part of this and share your passion of food!
