I've worked as a Project Officer for a year managing and organising a Big Lottery contract. I have also worked as an ESOL tutor for 8 years.

What project are you working on for us?

I'm working part-time on the (SSU) Skills Support for the Unemployed.

What is it that you want to achieve?

I want to help improve the lives of our tenants and the wider community by providing them with essential training and providing employment opportunities.

What are you hoping to gain from Ashley Housing?

To develop my skills and knowledge further, I would also like to gain experience working with refugees and understand the challenges they face.

What is your proudest moment in your career?

The proudest moment was to support and mentor a volunteer who was able to gain employment as a qualified tutor.
