

South West Landlord Expo

This month our Marketing & Communications team members Sophie and Shaun planned, organised and exhibited Ashley Community Housing's first ever stall at the 2016 South West Landlord Expo! The event took place at UWE Bristol's Exhibition and Conference Centre and was a great opportunity for ACH to showcase our unique Landlord Partnership Programme.

Throughout the day we had many landlords interested in the important resettlement work we do, alongside the brilliant benefits available to landlords working with us. We were surrounded by an array of great stalls which covered many different housing needs, highlighting what a fantastic event it was to attend as an exhibitor. A big thank you to the Landlord Expo team for organising the day and to all the landlords who came along to the event!

If you couldn't make the event but would like to find out more information regarding the work that we do and how we work with landlords, please don't hesitate to contact our Housing Manager, Said Mohamed, to find out more:
