

# TV Debut in the Midlands

On Monday 4th April our Wolverhampton team were delighted to be asked to feature on Big Centre TV – a local TV station in the Midlands covering Wolverhampton, Birmingham, Walsall, Solihull and the Black Country.

The feature was broadcast as part of the station's regional news programme: Big News. During the report one of our new Wolverhampton tenants spoke frankly about his personal journey to the UK and the sense of welcome he has felt since settling in an ACH property.

Our Marketing and Communications Intern Shaun also discussed our #rethinkingrefugee campaign and how it is helping to reduce stigma towards refugees and encourage positive representations. The following day our CEO Fuad Mahamed was interviewed by news presenter Bob Hall about his personal resettlement journey and how it has shaped ACH as an organisation.

As our newly-established Wolverhampton branch continues to grow and grow we are grateful to take part in media appearances which help raise awareness of the important work we do in the West Midlands. We would like to thank Big Centre TV for producing the feature, particularly to presenter Roshni Patel for co-ordinating the filming in Wolverhampton!
