

Tenants trip to Bath Christmas Market

In early December our support team took a few of our female tenants to the Bath Christmas markets and also went for tea and cake. None of the tenants had ever been to Bath, so it was a great day to explore Bristol's neighbouring city and see the beautiful architecture it has to offer.

The group made their way around all the different parts of Bath, and were able to explore the different tourist attractions which helped them learn about the history of the city. The tenants thoroughly enjoyed their day out and it was great for them to immerse themselves with the culture of a different city, as well as getting to know their support workers even more!
