

Welcome to our new members of the ACH Family

Over three months ago we have welcomed Matilda and Aletia to our Marketing and communications team. Now both of them have moved on, Matilda decided to follow her work in the Training department where she will be planning the courses and learning how to help people in need. Aletia on the other hand decided to move out of the country and, for a three-month period, volunteer in El Salvador. This meant that we were keen on to looking for more great talent in the Communication and Marketing and after a long process we have found the perfect candidates.

Shaun, a graduate from **Bournemouth University** with an English Degree and Masters in Literary Media, is now an Intern in our Marketing & Communication team.

“I applied to work for Ashley Community Housing as I was really interested in developing my experience in the communications industry but I was also struck by the important work the organisation does for the local community. Now I have started working here I can safely say that it is a great place to work! I love the diversity of working with a broad spectrum of people with different backgrounds and skill sets who are all working towards the same goal of helping those in need. I am excited to work on the many different projects we have planned over the next few weeks.” – Shaun

The second addition to the ACH Communication and Marketing team is Sophie a **University of South Wales** graduate with a Drama, Theatre and Media Degree.

“ After recently graduating university I really wanted to get involved in marketing with a company that reflected my values as a person. Being a small but close-knitted team, Ashley Community Housing is the perfect company for me to express my creative work as well as making a positive change. By using marketing and social media it enables me to raise awareness regarding refugees and homelessness within the local community. I am fortunate enough to be on a paid internship and I get to work with a hardworking, friendly, and talented team.” – Sophie

ACH has also gained a new board member!

We are proud to welcome Abdi Omar Mohamed, a member of the **Bristol Somali Media Group** and a talented individual. As our new board member he will be committed to improving ACH and making it even bigger and better than before.

We are very grateful and impressed by the new additions to the ACH family, and we are looking forward to working with you.
