ESOL Skills for Life - Entry One

The course covers both speaking and listening, and reading and writing across two mornings per week. Learning takes place within the classroom using a mixture of mediums, including digital. Upon successful completion of the course learners will receive an accredited qualification which will allow them to progress to higher level courses.

ELIGIBILITY

To be able to register for this course, you must first meet the below requirements:

- Complete an ESOL test confirming you are the appropriate level for the course.
- Be in receipt of a state benefit (e.g. JSA, ESA etc.)
- Not have been enrolled on to an accredited ESOL course with another provider during this academic year.
