

# Haile

Haile is originally from Yemen. He arrived into the UK in late 2013 as a result of conflict in his home country. He joined Ashley Community Housing in early 2014 and we have supported Haile with his finance and Benefits, Legal and Immigration activities, Employment, Training, and Housing.

Haile has engaged with the support service extremely well and studied hard to reach his goals. With the support, he has received Haile is now ready to move on from Ashley Community Housing and we're happy to announce Haile has now been offered permanent, independent accommodation of his own.

Haile is attending his Tenancy Agreement signing today before meeting with his support worker for Move On Support tomorrow. It is expected that he will move into his new independent accommodation next week.

We wish you luck Haile!
