N-Gaged has a new contract providing enhanced careers advice across the West of England. This will include Careers, Education, Information, Advice and Guidance (CEIAG). The service is for anyone aged 16 or over who is out of work, or who would like to progress within work, and has an easy referral or self-referral process.

Ashley Community Housing (ACH) are working with N-Gaged on this contract, with it sitting alongside ACH's National Careers Service (NCS) provision. This work is a great example of a strong partnership between local providers, and we're pleased to be part of it.

Careers Education, Information, Advice and Guidance, with a West of England focus

- Enhanced one to one careers advice sessions for employed and unemployed participants aged 16+, delivered throughout the West of England Local Enterprise Partnership area.
- Advice on local job opportunities, employment growth areas, training and development opportunities, pathways into work and career progression.
- Working in partnership with the National Careers Service (West of England) to provide Labour Market Intelligence and sector based development events for Careers Advisers and employability professionals.
