

Speaker event with Bristol STAR

Throughout the past few months Ashley Community Housing has been working with Bristol STAR, from the University of Bristol, to organise a speaker event focusing on the resettlement of refugees within the United Kingdom.

Bristol Student Action for Refugees (STAR), is the national network of student groups working to improve the lives of refugees in the United Kingdom by promoting positive images of refugees, volunteering for local refugee projects, and campaigning for refugees. The event itself was a success with lots of question being asked regarding the resettlement process that Ashley Community Housing provides, and how the public can get involved.

A big thank you to Bristol STAR, and in particular Ella Bowie, who made the event a success. We look forward to participating in some more speaker events in the future.
