

Tenants Trip to Weston Super Mare

Article by:

Tom Dixon

Support Worker

& ESOL Tutor @ ACH Bristol

In early August support staff took a group of tenants to Weston-Super-Mare on a day trip. We enjoyed some traditional fish and chips, went on the pier and had some ice cream. For all tenants it was their first time to the English seaside. Some of the tenants also took the opportunity to enjoy the fun fair. For one of the tenants it was the first time that they had been on a train!

Both tenants and support staff thoroughly enjoyed the day, exploring the local area and getting to know each other in a more informal environment. Tenants were surprised at how close the sea was to Bristol (only half an hour on the train) and felt they would be confident exploring the local area in the future.

We are extremely grateful to Severnside Community Rail Partnership for providing us with free train tickets in order to make the trip possible. We look forward to our next trip - to Bradford-on-Avon.
